In order to preserve Arseguel's quietness, we'd pleased to park your car in town's public parking, just behind the church. Thanks a lot.

How to access to Arsèguel Parking and Font del Genil Hotel

To get to Arseguel's parking you have to continue straight the road (1), just after the church you'll see the ramp on your left (2) that leads to the town's parking (3). If you carry many luggage you can unload it in front the hotel.
